Title: The First Age Of Darkness

Author: Unknown

Early in the reign of
Lord British there came
unto the land of
Britannia a powerful
wizard named Mondain. He
brang forth many
creatures of great evil,
using the power of his
magic to control them.
And there was great
suffering throughout the
land. It was in these
days that the Avatar
first came unto our
realm, to vanquish
Mondain and liberate our
people.
